Dearest Valued Customer

Thank you for your interest in PRIMACARE MEDICAL SUPPLIES. As to the first aid industry we are sure you know the importance of having a reliable source for products your customers can depend on.

The technology and challenges in the EMS field have increased tremendously over the years. At Primacare our highly professional staff has invested much time and effort, in producing the most comprehensive product line in the industry. With more the 50,000 sq. feet of inventory we offer many choices for Emergency Medical Products.

We promise to continually provide you with excellent service, quality products and Competitive pricing. Our goal is to meet all your medical needs and be a reliable source of service, information and support.

At PRIMACARE our intent is to make your job easier by providing the products necessary to effectively perform your duty in emergency care.

We know that you will join the thousands of other satisfied Primacare customers. We remain committed to provide personalized service and customer satisfaction.

Sincerely,

Joseph Templer
Sales Manager
